

ARA CLIMATE CERTIFICATE

ARA AG collects packaging waste throughout Austria and sends it for
Recycling or thermal recovery.

This helps conserve primary raw materials and energy sources as well as
reducing harmful greenhouse gas emissions.

DONAU Kanol GmbH & Co KG
Licence number: 8182

used ARA AG's packaging compliance service in 2019
and thus made a valuable contribution to climate protection by avoiding

443 tonnes of CO₂-equivalent emissions.

**This is equivalent to the greenhouse gas emissions
of about 3.702.879 car kilometers.**
